I Stand By My Country

Dear Ms. Alfonso:

I am writing to thank you for your nice note of recent date and the tape enclosed therein.

This is a fine tape, and I want to commend your family for your talent and your patriotism. I am glad to learn that your song has been adopted by the Commission on the Bicentennial. Congratulations!

Keep up your good work, and with kindest regards and best wishes,

Sincerely,

Margie,
I would like to take this opportunity to thank you for the 25 copies of the CDs you have provided the 138th Fighter Wing. I have given all but three copies to the families of our deployed members and the word has spread, as the spouses and children find comfort in the words you have so eloquently passed along. I have had several requests for additional copies as new members begin to deploy. Thank you for thinking of the Air National Guard in this new reality.
