Marjorie Alfonso,

Carmen Rivera, formerly with our ACS Relocation Readiness Program, passed us the information and the sample neat CDs for our military.

I passed this information on to our Family Readiness Group Coordinator/Installation Volunteer Coordinator, Deborah Holton, who will work with you in the future. We would be very interested in obtaining 500 copies, if possible. (Do you ship by UPS?) We have several avenues we can use to disseminate the music and it will be a good re-energizer as we re-group later this summer.

In the meantime, you may use my name on the shipping label and ship to the following:

ATTN: ACS Director (Marilyn Wallace)  
 Fort Benning Army Community Service (ACS) Center  
 Building 2624  
 Soldiers' Plaza  
 Fort Benning, GA 31905

Margie,

I hope all is well with you in Tulsa.

The CD's that you sent are wonderful and I showed them to my Director and she liked the idea of getting this out to the commanders and Family Readiness Group leaders as we are conducting our training sessions.

Our next scheduled Pre-Commanders Course is 6 - 10 May and I will present the CD's that you mailed and this will hopefully become a big part of Family Readiness in the Fort Bragg and surrounding community.

Thank you and God Bless,

Thomas

Margie,

I would like to take this opportunity to thank you for the 25 copies of the CDs you have provided the 138th Fighter Wing. I have given all but three copies to the families of our deployed members and the word has spread, as the spouses and children find comfort in the words you have so eloquently passed along. I have had several requests for additional copies as new members begin to deploy. Thank you for thinking of the Air National Guard in this new reality.

Margie,

I regret that it has taken me so long to put this request in writing. I have tried to send this request several time and it came back in between I had several thing to some up, like relocating my office. The CD's are wonderful. I would like 500 of them to share with our soldiers and families that are away serving out country around the world. I have several times plan over the next six months that I would like to give copies of these CD's away. Thanks for what your are doing and that fact that you would like to share with our soldiers and families is very meanful. Thanks
