

Margie,

Thank you for the beautiful tape "A Letter From Home" - It has been very comforting and inspirational. Bill leaves for Iraq March 8<sup>th</sup>. I am grateful I can be with him before he leaves. Please keep him in your prayers for a safe return.

Gratefully,

Mary Ann

P.S. Another belated note of thanks for "Living Christmas Tree" - the music killed my heart with so much joy. Your thoughtfulness appreciated.

Please send me 4 CDs.

My son just returned from Afghanistan - 82<sup>nd</sup> Airborne para troop Ranger. He just received notice he will be leaving in the next several weeks for Iraq to join the 101<sup>st</sup> infantry. I would like to distribute these to friends whose sons are in the service. Thank you

Thank you for doing this for our troops and their families; my husband is in Afghanistan, and this is hard, but with support from friends and family. And people like you who know how we feel. It helps so much. Thank you again for making this CD.

Thank-you & God Bless,
